## What Is Epiphany Sunday?

In the Catholic tradition, the Solemnity of the Epiphany is also known as Three Kings Day. Epiphany commemorates the first pilgrimage in the Christian tradition: the journey of the Magi (Wise Men) to worship the infant Jesus and God's revelation in Jesus Christ to all nations of the world. While the traditional date for Epiphany is January 6<sup>th</sup>, the Sunday observance on the first Sunday following January 1<sup>st</sup> is common in the United States.

Epiphany Sunday also marks the time-honored Christian tradition of *“chalking the doors.”* The formula for the ritual is simple. Take chalk of any color and write the following above the entrance of your home: 20 + C + M + B + 26. The letters have two meanings. First, they represent the initials of the Magi: Caspar, Melchior, and Balthazar who came to visit Jesus in the stable in Bethlehem. They also abbreviate the Latin phrase, *Christus mansionem benedicat*: “May Christ bless the house.” The + signs represent the cross, and the “20” at the beginning and “26” at the end mark the year. Taken together, this inscription is performed as a request for Christ to bless those homes so marked and that He stay with those who dwell therein throughout the entire year.

Sunday, January 4, 2026

12:30 PM Mass

Blessed chalk will be distributed following Mass  
(while supplies last)

so that you can begin the tradition of *“chalking the door”*  
of your own home each year on the Solemnity of the Epiphany.

## Second Annual Novena to Our Lady of Hope

Devotion to Our Lady of Hope is one of the oldest Marian devotions. The first shrine bearing that title was erected at Mezieres, France in the year 930. On January 17, 1871, Our Lady of Hope appeared in the French village of Pontmain. There she reveals herself as the 'Madonna of the Crucifix' and gave the world her message of 'Hope through Prayer and the Cross.' The basilica built at Pontmain by the Oblates of Mary Immaculate is one of the greatest French pilgrimage sites, noted for its miracles of grace. The Oblate Fathers introduced devotion to her in America in 1952. Her feast day is celebrated on January 17<sup>th</sup>.

Join us in praying this special novena to honor the Virgin Mary under the title of Our Lady of Hope. Pray this novena along with us either in person at the National Centre for Padre Pio or via livestream on Facebook or YouTube.

## Joyful Mysteries of the Rosary with the Writings of Padre Pio

On this *Feast of the Presentation of the Lord*, which is traditionally called *Candlemas*, you are invited to pray the Joyful Mysteries of the Rosary intertwined with Gospel passages and the writings of Padre Pio. The celebration of the *Feast of the Presentation of the Lord* occurs 40 days after the birth of Christ. In obedience to the Old Law, the Lord Jesus, the first-born, was presented in the Temple by His Blessed Mother and His foster father. This is another “epiphany” celebration insofar as the *Christ Child* is revealed as the Messiah through the canticle and words of Simeon and the testimony of Anna the prophetess. Christ is the Light of the Nations, hence the blessing and procession of candles on this day. Since Ancient times the Doctors of the Church have given special meaning to the candles used in *Candlemas* as a symbol of the Incarnate Christ: The beeswax is a symbol of His pure body, the wick His soul, and the flame His divinity.

### Chaplet of the Seven Joys & Sorrows of Saint Joseph

Even in the early Church, holy men like Saint John Chrysostom described Saint Joseph in terms of a life that was filled with both joys and sorrows. However, it is said that this devotion of seven joys and sorrows can be traced back to the Middle Ages, to an incident involving two Franciscan priests traveling in a ship along the Belgium coast. A storm hit, sinking the ship, and for three days and three nights, the two priests clung to a plank, praying to Saint Joseph. At some point, Saint Joseph appeared to them, guided them to safety, and taught them the practice of reciting seven Our Fathers and seven Hail Marys in honor of his Seven Joys and Seven Sorrows. As the devotion grew, Venerable Gennaro Sarnelli (1702-1744) and others formalized this into a chaplet with meditations.

## Father Dolindo Ruotolo and The Surrender Novena

Father Dolindo Ruotolo was an Italian Franciscan priest who dedicated his life to prayer and spiritual counsel and to whom Padre Pio once said, *"The whole of paradise is in your soul."* One of the treasures from the words which Jesus spoke to Father Dolindo was the teaching about total abandonment to God. The Surrender Novena which Father Dolindo received in prayer from Jesus leads us to set aside our fears, anxieties, and stress and draws us back to trust in God. In this novena, Jesus is talking not only to Father Dolindo but also to each of us.

### Who was Father Bill Martin?

William (Bill) Martin from Brooklyn, New York first met Padre Pio when he made a trip to San Giovanni Rotondo in 1959. Bill visited Padre Pio again in 1964. Being in Padre Pio's presence had been so uplifting that when it was time to say goodbye, Bill found it very difficult to leave. As Bill was waiting for the bus to take him to Foggia, one of the members of the Capuchin community came running toward him and told him that Padre Pio wanted him to stay on at the monastery. Bill was overjoyed at the news. He became a Third Order Franciscan and was thereafter known to everyone as Brother Bill. Brother Bill became Padre Pio's personal assistant and worked closely beside him on a daily basis. One afternoon, he and Padre Pio were sitting together in the sunroom just outside Padre Pio's cell. Enjoying the time of silence, each was occupied with his own thoughts. Brother Bill was thinking to himself what a great blessing it had been for him to have been able to spend so much time close to Padre Pio. He knew how fortunate he was and he wondered who had obtained this wonderful grace for him. Was it Padre Pio or was it Our Lady who was responsible? Although Brother Bill had not shared his thoughts with Padre Pio, at the exact moment that he was thinking about it, Padre Pio turned to him and said, ***"It was Our Lady."*** After Padre Pio's death, Bill was ordained to the priesthood and took the name Father Joseph Pius.

### Did Padre Pio Say Mass in Latin?

Yes, he did, but this is not to be interpreted as a disapproval of the new liturgy. Padre Pio was in his late seventies when the new liturgy was introduced and had great difficulty with his eyesight. It was therefore normal for him, as for other aged priests, to be dispensed from changing his manner of saying Mass. He was also permitted to celebrate the Mass of the Immaculate Conception every day. However, after his own Mass, Padre Pio was accustomed to assist at two further Masses, both celebrated according to the new rite. He never made any derogatory statement in regard to the reform of the liturgy introduced by the Holy See.

## Have a “Blessed” Morning with Blessed Anna Maria Taigi

In this second session of our *Have a “Blessed” Morning Series*, we are reminded that it is possible to surrender our hearts to God in any state of life to which we are called. Anna Maria was a wife, mother of seven, and a professed member of the secular Trinitarians. She frequently experienced ecstasies, worked miracles, foretold deaths, and had visions about future events. Blessed Anna Maria Taigi is the perfect example of how the laity can soar to the heights of sanctity, even amid difficult and challenging circumstances.

## Worldpriest Global Rosary Relay

On this Solemnity of the Sacred Heart, each of the participating prayer location countries prays a particular mystery of the Rosary at a specific allocated time on the day of the relay in thanksgiving to God for our priests and to implore the protection and loving care of Our Lady, Mother of all priests, for her priestly sons. By midnight on June 12, 2026, the entire world will have been encircled in prayer on *Worldpriest Rosary Relay Day*. As part of the family of the Church, you are invited to join your prayers to the prayers of millions throughout the world. It is an opportunity for us to raise our hearts to God for all priests in the exercise of their ministry; that they will be blessed, through our prayers, with God's grace for their priesthood; that in this worldwide community of prayer for them, they may experience our gratitude and support; and finally that they will persevere in unity with Christ and his Church in shepherding the Lord's flock to the safe pasture of His Kingdom. The National Centre for Padre Pio offers our prayers, in a particular way, for Bishop Alfred Schlert and all the priests of the Diocese of Allentown, PA on this 65<sup>th</sup> Anniversary year of the diocese.

Alessandro Serenelli, the man who murdered Saint Maria Goretti in 1902 after she resisted his attempt to violate her, was sentenced to 30 years in prison. During his trial, he shamelessly blamed Maria for her own death, claiming he was acting in self-defense against an attack he alleged she initiated. In prison, his violent temper led to frequent outbursts, and he was placed in solitary confinement. Six years into his sentence, Maria appeared to him in a vision. She was in a garden, gathering 14 white lilies and handing them to him one by one - a sign of forgiveness. This encounter pierced his heart, filling him with grace and deep repentance for his crime. From that moment, his life changed completely. He served the remainder of his sentence peacefully, and his remarkable transformation led to his early release. Afterward, he personally sought and received forgiveness from Maria's mother. Later, Alessandro joined the Capuchin Franciscans as a lay brother, living a humble life of work and penance as a gardener and laborer. He died reconciled with God on May 6, 1970, at the Capuchin convent in Macerata, Italy, remembered for his conversion and quiet holiness.

### Our Lady of Assumption of Monte di Procida

The statue of the Blessed Virgin Mary

Assumed into Heaven which adorns the Narthex of the Spirituality Centre at the National Centre for Padre Pio is a replica of the one venerated in the Parish Church of Monte di Procida, Naples, Italy. The church was originally built as a small chapel in 1644. Over the years, it was enlarged and embellished to how we see it today. Initially, to promote the people's devotion to Mary Assumed

into Heaven, a picture was placed in the church; then, in 1814 the community of the Faithful of Monte di Procida, commissioned the sculptor, Francesco Verzella, to sculpt a statue of Mary Assumed into Heaven for their church. In 1889, the community of Monte di Procida solemnly gifted the statue of Our Lady with a precious crown and golden circlet of stars. On September 21, 2003, the Committee of the Citizens of Monte di Procida in America, on behalf of all the people from Monte di Procida living in the United States, placed in the National Centre for Padre Pio in Barto, Pennsylvania a reproduction of the statue venerated in their native city, as a sign of their indissoluble bond with the Centre and as a sign of their determination to remain united in the faith and in a fraternal communion of love.

Running Time: 38 Minutes

The film, "A Mother's Promise: The Story of the National Centre for Padre Pio" offers an inside look at the story behind the promise of our foundress, Mrs. Vera M. Calandra, to bring Padre Pio to the world, as told by several of her daughters and file footage of Mrs. Calandra herself. This film is narrated by Drew Mariani and features Bishop Alfred Schlert and Bishop Keith Chylinski.

*After the Film, our Executive Director will give a closing reflection  
on the organizational genius of Vera Calandra.*

Divine Mercy Chaplet - 3:00 PM

After meeting Padre Pio in September of 1968, Mrs. Vera Calandra returned to the United States filled with a sense of trust in the immediate intervention of almighty God in her life and with the comfort of being under the paternal care of Padre Pio. When her daughter's miraculous cure was confirmed by doctors both Mr. and Mrs. Calandra returned to San Giovanni Rotondo in 1969 to offer their thanks. Encouraged by the Friars who lived and worked by Padre Pio, the Calandra family founded this centre in the United States dedicated to sharing the life and spirituality of Padre Pio with all in need. Mrs. Calandra's generous heart

would not permit her to keep silent about this great gift from God in the person of Padre Pio. Thus, she was invited to speak throughout the United States and the English speaking world about the example and spirituality of Padre Pio always emphasizing the paternal care he showered upon those who would come to reverently seek his spiritual guidance and protection especially upon those souls who sought his help along their path of spiritual growth and closeness with God. In

this manner countless souls became beloved spiritual children of Padre Pio. The sculpture pictured represents Padre Pio, Mr. and Mrs. Harry Calandra and their daughter Vera Marie. The remaining five Calandra children are represented by the roses gracefully laid on Mrs. Calandra's lap.

### The Smiling Pope

On this day in 1978, Pope John Paul I was elected. Thirty-three days later he was found dead of an apparent heart attack – making his reign one of the shortest in papal history. The cause for his canonization was begun by his successor, Pope John Paul II. Pope Francis named him Venerable in 2017 and presided over his beatification on September 4, 2022. Come learn more about his life and spirituality and why a “smile” can be the greatest tool of evangelization. Opportunity will also be provided to venerate rare relics of this soon-to-be canonized saint.

## The Ulma Family Exhibit

The National Centre for Padre Pio is privileged to offer our pilgrims the exhibit entitled, *“The Good Samaritans of Markowa: The Sacrificial Love of the Ulma Family.”* This is an extraordinary opportunity to learn about the Ulma family, a peasant family that lived during the Nazi occupation of Poland. During fierce Jewish persecution, Jozef, Wiktoria, and their six children opened their small home to two Jewish families at great risk for their own family. On March 24, 1944, German officers stormed into their home and killed the entire family, along with the Jews they were sheltering. On September 10, 2023, they were the first family to be declared “Blessed” as a family. The exhibit features panels which tell the history of the Ulma family through documents and photos of their daily life, together with the words and teachings of Pope Saint John Paul II on the family.

## Padre Raffaele Pianisi Day

On this day, we joyfully honor Venerable Rafaelli of Sant'Elia a Pianisi with the Society of Sant'Elia a Pianisi. Padre Raffaele was born Domenico Petrucelli on December 14, 1816. Domenico entered the Capuchin Franciscans in 1835 and was given the name Raffaele. He was ordained a priest on March 29, 1840. Padre Raffaele devoted his life to priestly ministry as a confessor, counselor, and spiritual director. He died on the evening of the Epiphany, January 6, 1901, and was buried in the hometown cemetery where people already venerated him as an extraordinary spiritual father. The following words were penned by Padre Pio on April 5, 1956, about the "Holy Monk" Padre Raffaele.

*"O chosen and innocent soul, Padre Raffaele,  
I am not worthy to have been chosen as one of those  
who knew the pilgrimage of your earthly life.  
But I thank God for granting me the grace  
to know the perfume of your virtue.  
Your life captures my mind and heart;  
may it please God to enable me to imitate you  
even to the smallest degree.*

*Now that you enjoy the vision of God,  
pray for me and the Province so that your spirit  
and that of the Seraphic Father (Saint Francis)  
may always radiate from each one of his Brothers."*

*“On Good Friday in 1991, Pope John Paul II, according to longstanding papal tradition, led a crowd of people at the Roman Colosseum through the Stations of the Cross. However, he changed the format, altering the fourteen stations and adding a fifteenth. Some of the traditional ones were kept, while others were dropped and new ones were inserted. All of the stations the Holy Father used had as their basis incidents recorded in the gospels.”*

## Feast of Saints Simon and Jude

Saints Simon and Jude are both mentioned in the Roman Canon. Simon, called the “Canaanite” and the “Zealot” most likely preached in Egypt and Persia. Jude or Thaddeus, meaning “courageous” preached in Palestine and Persia. Jude is the patron saint of those in despair or in hopeless situations (perhaps because of the similarity of his name with that of Judas Iscariot who betrayed Jesus and despaired).

## Love for the Poor Reflection and Discussion Session

*World Day of the Poor* was established by Pope Francis and is celebrated annually on the Sunday before the Feast of Christ the King (this year on November 15<sup>th</sup>). ### What is a Franciscan Friar?

The Franciscans are referred to as “friars,” from the Latin *frater*, meaning “brother.” Franciscans are essentially an order of brothers striving to live the Gospel with the same simplicity and fervor as their founder, Saint Francis of Assisi. After growing up in a wealthy family and then experiencing a powerful conversion at the age of 25, Francis donned the clothes of a penitent and began to live a very poor lifestyle, dedicating himself to prayer and service of the poor. Before long, inspired by his fervent lifestyle, men began to join Francis and to imitate his way of life. This gave rise to the birth of the Franciscan Order in 1223.

### What is a Capuchin Franciscan?

In the 16th century, a group of Franciscans were inspired to live the Franciscan lifestyle in a more radical manner, returning to the original emphasis on prayer and poverty. These men broke away from the Franciscans and began a reform movement which stressed the priority of contemplative prayer and a more rigorous austerity. Wearing habits with hoods, they soon garnered the name *cappucio*, the Italian word for “hood.” The Capuchins received approval of their way of life and were recognized as an official, independent branch of the Franciscans in 1525. Padre Pio was a Capuchin.

### Perpetual Remembrance Candle Enrollment

“Padre Pio was once asked why he prayed for the happy death of his great-grandfather, who had passed away many years ago. He answered, *“For the Lord, the past doesn’t exist; the future doesn’t exist. Everything is an eternal present. Those prayers had already been taken into account. And so, I repeat that even now I can pray for the happy death of my great-grandfather.”*

“*The Holy Souls: Viva Padre Pio*” by Father Alessio Parente

How powerful prayer is! Here at the National Centre for Padre Pio, we receive hundreds of calls per week from people requesting prayers for a loved one in need. Without a doubt, the question we are asked the most when people call with their intentions is, “how long is my intention prayed for?”

The answer is simple: here in Barto, your intentions are remembered every single day. Every monthly Mass, daily Rosary, and Divine Mercy Chaplet are offered for the intentions of all of those who contact the National Centre for prayers.

A Perpetual Remembrance Candle burns near the reproduction of Padre Pio’s tomb in our museum, under which lies a first-class relic of Padre Pio. That candle remains lit as a perpetual reminder of the names that have been sent to us for prayer here at the “Home of Padre Pio in the USA.”

Please use the form included in this booklet to submit the names of any loved ones, living or deceased, that you wish to have enrolled in this new prayer program. We are asking for an offering of \$2.00 *per name*, and you are invited to submit as many names as you’d like. Please feel free to include extra paper if you need more room!
